

LITE Moisturizer

It's time to do more for your skin

Face, Hands
& Body –
Daily Moisturizer

Use Lite lotion for daily moisturizing of face, hands and body. Lite is especially effective immediately after your shower or bath.

Lite lotion adds water to the skin, provides a watertight moisture barrier. This barrier substitutes for the skin's natural oil, delivering long term moisturizing properties. Lite is safe for sensitive skin, non-comedogenic and fragrance free.
